## Scenic Golf & Country Club

### The winter weather is still HERE!

Dear Members,

The winter months sure seem to be getting longer and our spring and summer months shorter. Well, it is great to be back for another year here at Scenic. We hope you all enjoyed your winter months, wherever you spent them.

We could use your help on Member clean-up day on **Wednesday April 11th @ 10:00am**. Bring a rake and gloves, and help out where you can.

We will start our events off this season with our **"Spring Fling Welcome Back Scramble and**

**Dinner"** on Saturday May 6th @ 1:00pm. The sign-up sheet is located once again this year at the front entrance of the golf-shop.

**Mother's Day Brunch** is scheduled for Sunday May 13th from 10:00am-1:00pm. We have some exciting new menu items on this years Brunch menu, including an Omelet station!. Please make it a point to be here for Mom's special day this year at Scenic. Please call the Clubhouse for reservations, 453-2233.

We do have an updated system to use for our handicapping. There are no real major changes for our

membership. The same score entry station will be used in the Golf-Shop. But, you can enter your scores on your phones, here are the 2 links for you to view. These will inform you how to download the mobile apps to your phones. **iPhones**-[www.youtube.com/watch?v=gffAYxagHWI](http://www.youtube.com/watch?v=gffAYxagHWI), and **Android**-[www.youtube.com/watch?v=\\_i6mZmPKFJE](http://www.youtube.com/watch?v=_i6mZmPKFJE). If you have question, contact us at the Golf-Shop.

We look forward to another great season at Scenic. and we hope to see you on the first tee soon!

God Bless,

Michael Guza

## President's Report-

Dear Members,

As a new season is approaching us, I would like to welcome all who are back and those in route.

The winter has been good to the course, no damage this year. The grounds staff is working hard to have the course ready for

play when the weather cooperates.

Mike is reading the Golf-Shop for the upcoming season and the Clubhouse staff will be ready shortly. Casey will have a new menu in place for the year and our staff will all be returning.

We would like to thank

Lowell Kraft & Jan Luedtke for there generous donations to the Tile and Drainage project this year.

We will be looking forward to seeing everyone on the course very soon!

Jim Dunn

President

## Grounds-

It is nice to be back to the course. The course came through winter well the greens are spotless of snow mold and the same with most of the tees. Ken, Brian, and I are working on cleaning up fallen trees from winter winds & left over wood from Mike Pop

At this point it looks like 21 more ash trees need to be cut down. That does not include some maples that we have lost. It also looks like 30 or so stumps to grind. We will do the best we can to keep at it until it is time to maintain turf. Can't wait for warmer weather & to see the course full of golfers! Thanks, Mark

## Golf Joke-

“Two mathematicians go golfing one morning. Neither of them is very good at the game. After the first nine holes they decide to check their scores. One looks at the other one's score sheet and says, “How the hell did you get through grad school without being able to count past four!!”

## **2018 RANGE MEMBERSHIPS AVAILABLE-**

THE 2017  
SEASON

UNLIMITED USE  
OF THE RANGE!!!

## The Bar & Grill-

We are happy to have almost all of our staff back this season. We will be bringing on a new few faces for you this season.

A few exciting changes we will be implementing this season. Fish Fry Friday Night's will be every Friday this season! We think this will simplify when we will be having them, and with the success we had last season, we believe this will only promote more opportunities for our members and guests to attend them.

We will also be making some

changes to our menu. With the demand for more dinner business, we will be adding some exciting new items that will be available each night on our dinner menu.

Casey is finalizing the lunch, dinner, and banquet menus, and as soon as we have them we will be sending them out for you to view. We will be opening on April 15th, and if the weather improves we could move that up to Friday April 13th. Mother's Day Brunch is still planned, Sunday May 13th! Hope to see you there!

## Greens, Tees, & Landscape-

APRIL 2018

To Our Scenic Membership,

We hope you have enjoyed the winter, where ever you spent it. There is not much to report from the GTL committee as we did not meet during the winter, how ever there are some things that we are going to address when we return.

We received some commemorative bricks in December that were ordered in the fall that will be placed in the patio border when the weather allows it.

A project that the GTL has also decided to take on is the planting of wild flowers and grasses on the hill

up to number 16 tee. This hill will be stripped and replanted when the weather allows.

The Women's group will address the planting of flowers upon every one's return and the weather cooperates with proper planting conditions.

We would like to encourage the involvement in our committee's efforts by submitting ideas for future projects, becoming involved by serving on this committee and/or purchasing a combative brick.

See Mike or any of the committee members for information.
